About the need to purchase rehabilitation equipment

Dear Anna Andriivna!

CU "Center for Complex Rehabilitation of Children with Disabilities" of the Kozelets Township Council (EDRPOU 34118672) has been providing services to children with special needs with organic lesions of the central nervous system, mental disorders, diseases of the endocrine system, musculoskeletal system, oncological diseases, etc. for more than 20 years. Currently, there are 68 children with disabilities registered at the Rehabilitation Center. The Center's specialists do everything possible to ensure that the children's stay is comfortable and that the rehabilitation process gives a positive result.

In connection with the war in Ukraine and insufficient funding of the institution, we are asking for your help in purchasing rehabilitation equipment, as the equipment's useful life has long expired. <

List of necessary rehabilitation equipment" .:

massage table - 1 pc.;

exercise bike-I pc.;

cycling - 1 st.;

developmental (didactic) equipment for sensory and speech development rehabilitation rooms;
